

[29th Manufacturing World Osaka] Exhibition - October 2026

Dear Sir or Madam,

We sincerely thank you for your continued support and patronage.

We are pleased to announce that we will exhibit at the [29th Manufacturing World Osaka (2026)].

At our booth we will be showing:

- ① **In-house developed speed reducers and assembled products**
- ② **Prototype and mass-production gears: spur / helical, spiral bevel, stepped pinion, etc.**
- ③ **Machining technologies: polish gear grinding, skiving, asymmetric tooth profiles, 5-axis machining**

We would be delighted to have you visit us and see them in person.

Advance registration is required for entry. Please register at the URL below.
